**Friday, October 18.** This will be our very first ever GSRW Fundraiser — an evening of laughter, information and celebration of our first successful year as an organization!!

We will be meeting at the beautiful Woodland Hills Country Club, between Thousand Oaks and Burbank in the Los Angeles area. Our featured speaker is **Steve Hilton**. We will be sending more details on the event and area hotels for those who may want to make a weekend of it. Plan ahead to be part of the fun. ★

## All Hands on Deck! Help is needed now

**W**e all know that this election is the most important in our lifetime. **NOW** we need you to help **GET OUT THE VOTE**.

### Here's what to do:

**1)** Remind everyone you know to vote. You would be surprised at how important this can be. Just imagine if each of us could help five extra people cast their ballots. (Make sure you tell them to vote **early** — **not to wait** 'til election day!)

**2)** Volunteer at your local Republican headquarters. Family members can pitch in, too! The jobs are numerous. Big, small, challenging, easy — something for everyone. It even helps if you bring over homemade cookies, empty the trash or clean the bathroom or kitchen!

**3)** Contact Steve Garvey, your Congressional candidate or the office of a local Republican running for Assembly, City Council, School Board or another office. Any amount of time — even an hour — is valuable. ★

# Be Calm and Articulate Your Values

*Janet Price, President*

**D**ear Golden State Republican Women, Since I last wrote to you, it has become even more clear why this organization and each of you are so very needed! There is no scripture that I hear quoted more often now than from the Book of Ruth — “For such a time as this.”

## Ground-breaking times

We are undoubtedly living through uncharted times that we sense will profoundly change the course of history. If we put ourselves in the shoes of those who lived through World Wars or other cataclysmic events that remapped civilization, did they realize what ground-breaking times they were in?

This year, 2024, is moving at lightning speed, but that is actually helping to bring things into clearer focus. Patriots are motivated by a heightened sense of alarm as we watch our beloved country weakening under relentless assaults by the Marxist left!

## Arm Ourselves Daily

Few doubt now that we are engaged in an all-out war, a war of thought and mind control, of domination of lies over truth! Our protection is to arm ourselves daily with well-honed truth detectors which will keep us safe. Your platform will be to state your

beliefs, resolutely and clearly. Those tenets will cut through the chaos that tempts us to react. Don't take the bait.

## Just Do These Few Things

1. Be ready to articulate your values.
2. State them calmly. The left relies on emotions to control the narrative.
3. Respectfully listen to opposing arguments which will keep the conversation from descending into personal attacks. Your opponent will be drawn in by your demeanor rather than by the words you speak.

Brick by brick, this is the way we build back trusting relationships with our countrymen and pride in our country. It is the foundation our Founding Fathers bequeathed us. It is an inheritance like no other in the world — so value it and protect it!

## Do Your Civic Duty

Most of all, appreciate the civic duty Americans are entrusted with. Exercise that privilege and VOTE BEFORE November 5<sup>th</sup>!!

God Bless the Golden State Republican Women and God Bless America! ★

# Need Help Finding Great Speakers?

Gretchen Cox, 1st Vice President, Programs

**W**e're pleased to offer a new benefit to GSRW affiliated clubs!

We're working on a "Speaker's Tour Bureau" — a unique service to help our member clubs bring in great

speakers for their meetings and other events.

Essentially, when we have candidates, electeds, party

officials or other speakers who want to address multiple clubs, we will provide the service of coordinating each speaker's schedule with club meeting dates, and making clubs aware of opportunities to host these people to speak at their meetings. Stay tuned for more information! ★

# If You Missed a Zoom Presentation, Catch Up Online

**T**hroughout the year GSRW has strived to bring interesting and timely presentations to our "Speaker Series" Zooms, and that is continuing into the 3<sup>rd</sup> quarter of this year.

These virtual events are free, and all are welcome with advance registration.

## Enlightening Speakers

We have been enlightened by a number of speakers, including CA 49th

Congressional candidate Matt Gunderson,

Journalist Susan Shelley, who reviewed the propositions on the November ballot, Dr. John Eastman, who spoke

about the "lawfare" he is experiencing from the Biden DOJ, and Election Integrity Project CA Founder and

President Linda Paine, who updated us on the

progress her organization is making on election related issues.

## More to Come

There are more Zoom presentations to come, so stay tuned. Your suggestions for future speakers are welcome. Please contact our First VP Gretchen Cox — [1stVP@GSRW.org](mailto:1stVP@GSRW.org) — with your ideas.

# This is the best time to recruit!

*Karen Contreras, 2<sup>nd</sup> Vice President, Membership*

The last couple of months have been a dizzying whirl of events: the Paris Olympics’ sacrilegious attempt to portray diversity, Kommie Harris’ VP pick of Tim Walz, the Minnesota “Snitch King,” and the placement of a 21-foot IUD in the DNC convention plaza. There you go – can it get any nuttier?

## Absurdities point to opportunities

The point of drawing attention to these absurdities is to direct you to the opportunities they afford. Who wouldn’t want to be part of a club that stands for sanity? Who wouldn’t want to join with brilliant, freedom-loving women working together to defeat the Marxist scourge of the Harris/Walz ticket?

## Partnering with others

GSRW has been actively supporting the Trump/Vance

campaign as well as down-ballot candidates in a variety of ways. Our partnership with the California Trump Volunteer Committee, Trump Captains, and community organizers has opened new opportunities to participate in local events. Those events are providing free publicity, increasing club exposure, and boosting membership.

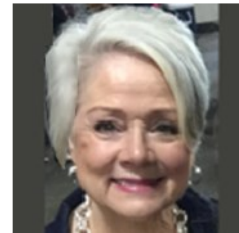

## Trump Trains and more!

On August 17-18, [WethepeopleCA.com](http://WethepeopleCA.com), a Trump activist group, held a statewide ‘Trump Train.’ Decorated car and truck caravans from all over the state cruised through communities, playing patriotic music and honking horns. Participants were rewarded with smiles, gestures of thumbs up, and more than a few middle-finger salutes. Old men raised their fists to “fight” and younger men waved their Trump hats.

The parade of patriotism encouraged average citizens who thought they were the lone Republicans and Trump supporters in town. Don’t

waste the momentum.

## Get your banners printed!

Now is the time to print your banners and signs with “Defeat Harris/Walz - Join Us.” Place your club QR code on your signs and banners — to lead the viewer directly to your membership sign-up page. Take your banners to the freeway overpass and to the intersections.

Join us if you want to take advantage of all of the community resources that we have that will grow your membership.

## Be Bold!

We can no longer be quiet and hope to increase membership and get Republicans elected to office. Be bold and show people you have what they need. ★

# Voting — The Modern Way

Nancy Wofford, 3rd Vice President, Political Activities

Some Republicans are concerned over the way Donald Trump “mean-talks.” They think he should be cleaning up his act after his near-death experience.

Our Presidential candidate is not ‘cleaning up his act’, because it is **not** an act. He understands better than most, that the only way to reach our goal is to fight better than the “enemy.”

## Fight-Fight-Fight

While the left employs the justice system negatively against their opponents, uses the media to their benefit, and engages Hollywood celebrities to draw crowds, Trump uses his voice. He knows he has to fight dirty...to beat the corrupt.

Kinder and gentler is sweet, but it’s old thinking. We can be sweet after we Make

America Great Again!

## America as it Should Be

Like us, President Trump wants for his children and grandchildren the America we know it should be. Standing in the way of our American Dreams are evil powers that want domination. We need to help other voters and our candidates in this fight.

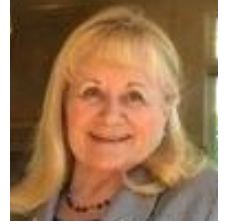

Old practices are detrimental to our success. Waiting ‘til the last minute to vote doesn’t work! Our best intentions have been thwarted by questionable power outages, cheaters who have somehow already voted in your name, ballot supply issues, and other scurrilous activities.

## Vote Early!

We recommend that you vote as soon as you receive your ballot in your mail. Take it to the post office or walk it into the County Registrar’s office. Only ask for a new ballot if you make a mistake on your original. Any wayward mark on a ballot will make it unreadable to the vote-counting machine. You want to avoid using a pink Provisional ballot.

If you choose to vote in person, you need NOT surrender your mailed ballot. In fact, it’s best if you haven’t even opened the envelope. If the poll worker claims that

you’ve already voted, that unopened ballot is your proof that it was not YOU.

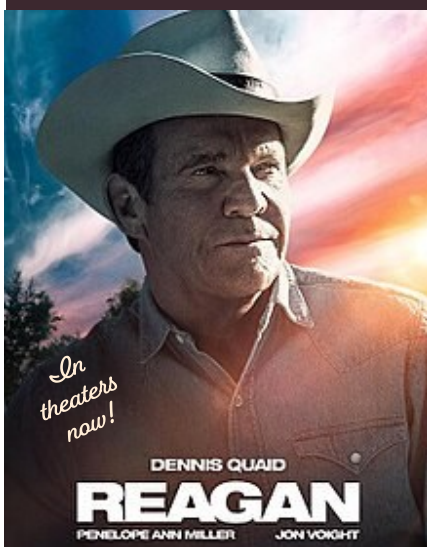

Ballot harvesting is now law, due to the liberal hold on California. It is legal, and we need to use it. If we do not use ballot collection, it will only advantage the Left. Helping other Republicans vote — the right way — is imperative. Lists of local candidates and propositions should be at hand. (See pages 8 & 9).

When someone says “How should I vote?” take the time to tell them. Offer to help fill out and deliver ballots of anyone wishing this support.

## Winning the Battle

Do not allow the talking heads and negative news media get to you. Despite what you may think or hear, this election is not an easy win. With the recent success of the Trump Trains, rallies, and the massive crowds behind our candidate, we know we have the winner. Let’s make the most of ‘new thinking’ and win this battle for the future. ★

## Here's What a Weekend of Campaigning Looks Like

Chico Evening Republican Women (CERW) went out of their way this summer to help the Donald Trump campaign. They held a birthday party for him on June 14, organized their first Trump Caravan on June 15 and a second on July 20 — with dozens of vehicles.

### 'Trump Train' Weekend

To recognize President Trump for the Statewide California Trump Train the weekend of August 16, 17 and 18, CERW held a Trump Caravan on Friday, Aug 16 for the Butte County Republican Party, who had become exhausted from other projects and were ready to cancel the caravan.

CERW stepped up and organized the Trump Train for the 16th. It was attended by more than two dozen vehicles. and the group completed the evening at the local Republican watering and dining hole, The Tackle Box in Chico.

On August 17th CERW held a second Trump Train, leading

the parade of trucks and cars, and selling Trump signs for the Butte County GOP. This time more than 75 vehicles showed up to celebrate President Trump!

### A Salute to Veterans

The caravan moved through Chico, circled the downtown area, and drove by the Farmer's Market, having been requested to do so by the local military veterans group. People honked their horns, gave untold numbers

of thumbs ups. A few folks used a different finger, but the group ignored the naysayers.

### Grand Opening

The caravan ended at the grand opening for the Butte County GOP 2024 Election Office, overwhelming the space available inside and spilling into the parking lot. Butte County and Chico Evening Republican Women are on a roll and ready to elect Republicans all the way down the ballot!★
